

Managing Your Career Training Series

NETWORKING

“Trying to figure out how to master your networking skills and build relationships to boost your career? Have you learned yet how to take advantage of social media tools like Facebook, Twitter and LinkedIn to make this process easy?”

Come meet with Kerianne Mellott, Social Media Expert and Marketing Coach. Ms. Kerianne is a national speaker, presenter and teaches audiences how to use social networking to accomplish goals of connecting with others. She will be showing you how to enhance your online profiles to build strong relationships with your colleagues, family, friends and professional connections.”
